TO "SAY IT WITH COPPER"—
The Miami Boosters Club intends to "say it with copper" upon the occasion of the formal opening of the Superior-Miami highway, which according to present plans will occur about the first of April. A copper plate, made from metal produced from the mines of that locality, is in process of manufacture at the present time. On it will be inscribed the history of the highway, which according to present ture, has accepted for the state of time. On it will be inscribed the history of the highway, which according to present about the first of April 1970. from a scenic and construction standpoint. Governor Campbell has been
asked to participate in the ceremonies
and has consented to make a few
remarks. As he signed both of the
bills appropriating money for this
road and as it has been constructed
under his administration he is in a
position to tell the economic and
